

Global Active eIDV Coverage

High-Assurance, Zero Friction

Shufti's eIDV connects your business to **40+ trusted eIDs** and bank-grade sources across **35+ regions** through a single integration, delivering top-tier security with a friction-free experience.

Leverage our **Active eID** and **Active Enrich** (eID + Biometrics) tiers to deliver immediate business impact:

Instant Conversion

Verify users in **< 3 seconds** and achieve higher first-pass approvals than traditional document checks.

Stop Fraud with Active Enrich

Combine sovereign proof-of-possession with biometric liveness to block sophisticated synthetic fraud and account takeovers.

Single Platform, Global Reach

Access trusted schemes (e.g., BankID, Singpass, Aadhaar) across **35+ regions** via a single, unified API.

Localized User Experience

Choose the correct eID method for each customer based on their location, ensuring a seamless and familiar verification flow.

Simplify Compliance

Meet KYC, AML, and GDPR mandates using **data minimization**, requesting only necessary attributes (e.g., "18+") with user consent.

Future-Proof Your Business

Stay ahead of new global standards cemented by landmark regulations like the EU's **eIDAS 2.0** and the expanding EUDI Wallet ecosystem.
