5. Due Diligence Requirements

5.1. Identity Verification Requirements

As per the requirements of the Algerian regulations, these are the following ID attributes required for the purpose of identifying a natural person (Individual) from official documents.

- Name;
- Address.

5.2. Compliant CDD Methods

We (Shufti Pro) may apply one or more of the following measures at the request of the Client to perform Identity Verification on its behalf. Where an End-user is an individual, who does not present himself to the Client for verification in physical presence.

- 5.2.1. Shufti Pro shall perform verification of the End-user's identity on the basis of independent sourced documents that are highlighted in 5.3. These documents provide reasonable reliability to the confirmation of the identity in Algeria. Shufti Pro shall ensure that documents being utilized are photo-based biometric identification documents that suffice requirements for Identity Verification.
- 5.2.2. For the purpose of verifying the End-user's identity, Shufti Pro shall also verify the documents that are submitted. We utilize our specialized Document Verification service to perform checks on the authenticity of the document. This includes checks on security features such as holograms, tapered/crumpled edges, doctored elements, form inconsistencies, document expiration, MRZ, reflected colors and microprinting.

5.3. Documents Required for Verification

The following documents are considered in Algeria as Proof of Identity:
