#### 5. Due Diligence Requirements

##### 5.1. Identity Verification Requirements

As per the requirements of the Bosnian regulations, these are the following ID attributes required for the purpose of identifying a natural person (Individual) from official documents.

- Full Name;
- Date and Place of Birth;
- Address;
- Personal Identification Number.

##### 5.2. Compliant CDD Methods

We (Shufti Pro) may apply one or more of the following measures at the request of the Client to perform Identity Verification on its behalf. Where an End-user is an individual, who does not present himself to the Client for verification in physical presence.

- 5.2.1. Shufti Pro shall perform verification of the End-user's identity on the basis of documents that are highlighted in 5.3. These documents provide reasonable reliability to the confirmation of the identity in Bosnia and Herzegovina . Shufti Pro shall ensure that documents being utilized are photo-based biometric identification documents that suffice requirements for Identity Verification.
- 5.2.2. For the purpose of verifying the End-user's identity, Shufti Pro shall also verify the documents that are submitted. We utilize our specialized Document Verification service to perform checks on the authenticity of the document. This includes checks on security features such as holograms, tapered/crumpled edges, doctored elements, form inconsistencies, document expiration, MRZ, reflected colors and microprinting.

### 5.3. Documents Required for Verification

The following documents are considered in Bosnia and Herzegovina as Proof of Identity:

#### Identity Verification

- A valid Passport;
- A current Bosnian drivers license;
- A National ID Card.

#### Address Verification

The following documents are considered as proof of address:

- A current utility bill (such as gas, electricity, telephone or mobile phone bill); (issued no more than three months ago that shows the End-user's address and name);
- Bank statement (issued no more than three months ago that shows the End-user's address and name);
- A document issued by a government department that shows the End-user's address and name.

### 5.4. Timing of Verification

Identity Verification is not limited to a one-time, one instance process. In fact, it is required in multiple instances as per regulations. The application and choice of when to deploy Identity Verification procedures depend on your requirements and it's conveyance to Shufti Pro.

You are to pursue Identity Verification when you onboard a new Customer. If you are dealing with transaction data, you should apply Identity Verification as per the monetary thresholds defined in Bosnian regulations. In other instances, Identity Verification becomes more important to employ if you face higher risks from your Customers. A high risk situation would be any instance where an Individual might represent above normal exposure of money laundering related threats to you.

## 6. Politically Exposed Persons and EDD Measures

As per the Enhanced Due Diligence requirements under Bosnian regulations, you are required to determine if your Customer is a Politically Exposed Person, holds a public office, or exhibits a higher risk profile. In order to fulfill your obligations, Shufti Pro provides you it's AML Screening service. The service screens an individual's selected ID attributes of *Name* and *DOB* against watchlists of global regulatory authorities, foreign and domestic databases, compromised PEPs and sanctioned individuals.

The service highlights the category of the PEP based on the degree of risks they pose and also any immediate family member, or a close associate of the PEP.

You may utilize such services as per your requirements. This includes before or after establishing a relationship with your Customer.

## **7. Reliance on External Services**

Bosnian regulations state that you may seek the services of a third party to apply measures of due diligence. Regulations also require you to collect all such data (Diligence Information) from the third party, without undue delay. In this scenario, We will be the external third-party service provider to you.

Bosnian regulations state that you, regardless of reliance on a third party, remain liable for maintaining all such compliance and fulfilling AML and KYC obligations.

## **8. Record Retention**

As per Bosnian regulations, you are required to retain data for not less than ten (10) years. These are a part of your AML and KYC obligations for due diligence. In the case where this information is processed, collected and managed by a relevant third-party. You are liable to collect all such necessary information(Due Diligence Data) from the third party without undue delay.
