1. Introduction

Gibraltar introduced its 'Proceeds of Crime Act' to criminalise and penalise money laundering. This act has since then been amended in line with the EU Directives. All the laws, acts, and amendments introduced in Gibraltar are aimed at providing measures to prevent the abuse of the financial system and prevent money laundering activities along with other financial crimes.

2. Scope

The 'Gibraltar - AML KYC Regulations' report may be used as a reference to highlight information from Gibraltar's '*Proceeds of Crime Act*' and Gibraltar's Financial Service Commission's '*Guidance Notes on Systems of control to prevent the financial system from being used for money laundering or terrorist financing activities-2021*'

Under the guidelines from Gibraltar Financial Services Commission (GFSC) and the aforementioned Act, this document highlights the necessary requirements for AML and KYC procedures, in particular, Identity Verification required in Gibraltar. These requirements are approximated from relevant information/laws/directives from the aforementioned document.

5. Due Diligence Requirements

5.1. Identity Verification Requirements

As per the requirements of Gibraltar's regulations, these are the following ID attributes required for the purpose of identifying a natural person (Individual) from official documents.

- Full Name;
- Date of Birth;
- Address.

5.2. Compliant CDD Methods

We (Shufti Pro) may apply one or more of the following measures at the request of the Client to perform Identity Verification on its behalf. Where an End-user is an individual, who does not present himself to the Client for verification in physical presence.

- 5.2.1. Shufti Pro shall perform verification of the End-user's identity on the basis of documents that are highlighted in 5.3. These documents provide reasonable reliability to the confirmation of the identity in Gibraltar. Shufti Pro shall ensure that documents being utilised are photo-based biometric identification documents that suffice requirements for Identity Verification.
- 5.2.2. Shufti Pro can also perform verification of the End-user's identity through a real-time audio-video transmission, where a live, interactive video session is carried out between an Identification Expert and the End-user. During this session, the End-user will be asked to show their identity documents. The End-user will also be asked to perform some random gestures as a part of a liveness check. An obliged entity would have the liberty to substitute the Identification Expert to be one of their own rather than use Shufti Pro's.
- 5.2.3. For the purpose of verifying the End-user's identity, Shufti Pro shall also verify the documents that are submitted. We utilise our specialised Document Verification service to perform checks on the authenticity of the document. This includes checks on security features such as holograms, tapered/crumpled edges, doctored elements, form inconsistencies, document expiration, MRZ, reflected colours and microprinting.

5.3. Documents Required for Verification

The following documents are considered in Ireland as Proof of Identity:

Identity Verification

- A valid passport;
- A valid driver's license;
- A National Identity Card.

Address Verification

The following documents are considered in Gibraltar as proof of address:

- A current utility bill (such as gas, electricity, telephone or mobile phone bill) (no older than three (3) months, shows the End-user's address and name);
- A document issued by a government department that shows the End-user's address;
- A bank statement (no older than three (3) months, shows the End-user's address and name).

5.4. Timing of Verification

Identity Verification is not limited to a one-time, one instance process. In fact, it is required in multiple instances as per regulations. The application and choice of when to deploy Identity Verification procedures depend on your requirements and it's conveyance to Shufti Pro.

You are to pursue Identity Verification when you onboard a new Customer. If you are dealing with transaction data, you should apply Identity Verification as per the monetary thresholds defined in Gibraltar's regulations. In other instances, Identity Verification becomes more important to employ if you face higher risks from your Customers. A high-risk situation would be any instance where an Individual might represent above normal exposure of money laundering related threats to you.

6. Politically Exposed Persons and EDD Measures

As per the Enhanced Due Diligence requirements under Gibraltar's regulations, you are required to determine if your Customer is a Politically Exposed Person, holds a public office, or exhibits a higher risk profile. In order to fulfill your obligations, Shufti Pro provides you it's AML Screening service. The service screens an individual's selected ID attributes of *Name* and *DOB* against watchlists of global regulatory authorities, foreign and domestic databases, compromised PEPs and sanctioned individuals.

The service highlights the category of the PEP based on the degree of risks they pose and also any immediate family member, or a close associate of the PEP.

You may utilize such services as per your requirements. This includes before or after establishing a relationship with your Customer.

7. Reliance on External Services

Gibraltar's regulations state that you may seek the services of a third party to apply measures of due diligence. Regulations also require you to collect all such data (Diligence Information) from the third party, without undue delay. In this scenario, We will be the external third-party service provider to you.

Gibraltar's regulations state that you, regardless of reliance on a third party, remain liable for maintaining all such compliance and fulfilling AML and KYC obligations.

8. Record Retention

As per Gibraltar's regulations, you are required to retain data for no less than five (5) years. These are a part of your AML and KYC obligations for due diligence. In the case where this information is processed, collected and managed by a relevant third-party. You are liable to collect all such necessary information(Due Diligence Data) from the third party without undue delay.
