1. Introduction

Monaco introduced 'Law No. 1.462 of 28 June 2018 Reinforcing the Anti-Money Laundering, Financing of Terrorism and Corruption Mechanism' transposing the EU's Fourth Anti-Money Laundering and Financing of Terrorism Directive aligned with the revised FATF Recommendations (2012), as well as the recommendations of the MONEYVAL Committee and GRECO within the framework of the Council of Europe.

2. Scope

The 'Monaco - AML KYC Regulations' report may be used as a reference to highlight information from Monaco's '*Law No. 1.462 of 28 June 2018. - Reinforcing the Anti-Money Laundering, Financing of Terrorism and Corruption Mechanism*'.

Under the guidelines from the Financial Unit of Information and Control – SICCFIN, Commission for the Control Financial Activities and the aforementioned Act(s), this document highlights the necessary requirements for AML and KYC procedures, in particular, Identity Verification required in Monaco. These requirements are approximated from relevant information/laws/directives from the aforementioned document and sources.

3. Definitions

- **Client**: Shufti Pro's customer is referred to as the Client.
- **Customer**: The client's customer whose subject to the KYC - AML checks.

5. Due Diligence Requirements

5.1. Identity Verification Requirements

As per the requirements of the Monaco regulations, these are the following ID attributes required for the purpose of identifying a natural person (Individual) from official documents.

- First name;
- Surname;
- Address.

5.2. Compliant CDD Methods

We (Shufti Pro) may apply one or more of the following measures at the request of the Client to perform Identity Verification on its behalf. Where an End-user is an individual, who does not present himself to the Client for verification in physical presence.

5.2.1. Shufti Pro shall perform verification of the End-user's identity on the basis of independent sourced documents that are highlighted in 5.3. These documents provide reasonable reliability to the confirmation of the identity in Monaco. Shufti Pro shall ensure that documents being utilized are photo-based biometric identification documents that suffice requirements for Identity Verification.

5.2.2. For the purpose of verifying the End-user's identity, Shufti Pro shall also verify the documents that are submitted. We utilize our specialized Document Verification service to perform checks on the authenticity of the document. This includes checks on security features such as holograms, tapered/crumpled edges, doctored elements, form inconsistencies, document expiration, MRZ, reflected colors and microprinting.

5.3. Documents Required for Verification

The following documents are considered in Monaco as Proof of Identity:

Identity Verification

- ID Card;
- Driving Licence;
- Residence permit;
- Passport.

Address Verification

The following documents are considered in Monaco as proof of address:

- A utility bill for gas, electricity, home telephone or other utility; (no older than three (3) months, shows the End-user's address and name).
- A tax bill (no older than three (1) year, shows the End-user's address and name).
- A bank statement (no older than three (3) months, shows the End-user's address and name).

5.4. Timing of Verification

Identity Verification is not limited to a one-time, one instance process. In fact, it is required in multiple instances as per regulations. The application and choice of when to deploy Identity Verification procedures depend on your requirements and it's conveyance to Shufti Pro.

You are to pursue Identity Verification when you onboard a new Customer. If you are dealing with transaction data, you should apply Identity Verification as per the monetary thresholds defined in Monaco's regulations. In other instances, Identity Verification becomes more important to employ if you face higher risks from your Customers. A high risk situation would be any instance where an Individual might represent above normal exposure of money laundering related threats to you.

6. Politically Exposed Persons and EDD Measures

As per the Enhanced Due Diligence requirements under Monaco's regulations, you are required to determine if your Customer is a Politically Exposed Person, holds a public office, or exhibits a higher risk profile. In order to fulfill your obligations, Shufti Pro provides you it's *AML Screening service*. The service screens an individual's selected ID attributes of *Name* and *DOB* against watchlists of global regulatory authorities, foreign and domestic databases, compromised PEPs and sanctioned individuals.

The service highlights the category of the PEP based on the degree of risks they pose and also any immediate family member, or a close associate of the PEP.

You may utilize such services as per your requirements. This includes before or after establishing a relationship with your Customer.

7. Reliance on External Services

Monaco's regulations states that you may seek the services of a third party to apply measures of due diligence. Regulations also require you to collect all such data (Diligence Information) from the third party, without undue delay. In this scenario, We will be the external third-party service provider to you.

Monaco's Act states that you, regardless of reliance on a third party, remain liable for maintaining all such compliance and fulfilling AML and KYC obligations.

8. Record Retention

As per tMonaco's Act, you are required to retain data for not less than five (5) years. These are a part of your AML and KYC obligations for due diligence. In the case where this information is processed, collected and managed by a relevant third-party. You are liable to collect all such necessary information (Due Diligence Data) from the third party without undue delay.
