1. Introduction

The Financial Services Regulations confer upon the QFC Regulatory Authority's responsibility in relation to the prevention and detection of money laundering, terrorist financing or other financial crime in the QFC.

The QFC Anti-Money Laundering and Countering Terrorism Financing Rules provide the QFC compliance framework and detailed requirements in relation to AML/CFT. The rules have been designed to be in accordance with the State Law – No (4) of 2010 Anti-Money Laundering Law and aligned to the Financial Action Task Force global recommendations and standards. In addition, relevant Qatari criminal laws in relation to this subject continue to apply in the QFC.

5. Due Diligence Requirements

5.1. Identity Verification Requirements

As per the requirements of the Qatari regulations, these are the following ID attributes required for the purpose of identifying a natural person (Individual) from official documents.

- Full Name;
- Date and Place of Birth;
- National Identification Number (Qatari Citizens) or;
- Passport Number (Foreign Nationals).

5.2. Compliant CDD Methods

We (Shufti Pro) may apply one or more of the following measures at the request of the Client to perform Identity Verification on its behalf. Where an End-user is an individual, who does not present himself to the Client for verification in physical presence.

- 5.2.1. Shufti Pro shall perform verification of the End-user's identity on the basis of documents that are highlighted in 5.3. These documents provide reasonable reliability to the confirmation of the identity in Qatar. Shufti Pro shall ensure that documents being utilized are photo-based biometric identification documents that suffice requirements for Identity Verification.
- 5.2.2. For the purpose of verifying the End-user's identity, Shufti Pro shall also verify the documents that are submitted. We utilize our specialized Document Verification service to perform checks on the authenticity of the document. This includes checks on security features such as holograms, tapered/crumpled edges, doctored elements, form inconsistencies, document expiration, MRZ, reflected colors and microprinting.

5.3. Documents Required for Verification

The following documents are considered in Qatar as Proof of Identity:

Identity Verification

- A valid Passport;
- National Identity Card;
- Driving License;
- Residence Permit.

Address Verification

The following documents are considered as proof of address:

- A current utility bill (such as gas, electricity, telephone or mobile phone bill) (No older than 3 months, bearing End-user name and address);
- Residence Letter - (No older than 3 months, bearing End-user's name and address)
- Bank Statement (No older than 3 months, bearing End-user's name and address).

5.4. Timing of Verification

Identity Verification is not limited to a one-time, one instance process. In fact, it is required in multiple instances as per regulations. The application and choice of when to deploy Identity Verification procedures depend on your requirements and it's conveyance to Shufti Pro.

You are to pursue Identity Verification when you onboard a new Customer. If you are dealing with transaction data, you should apply Identity Verification as per the monetary thresholds defined in Qatari regulations. In other instances, Identity Verification becomes more important to employ if you face higher risks from your Customers. A high-risk situation would be any instance where an Individual might represent above normal exposure of money laundering related threats to you.

6. Politically Exposed Persons and EDD Measures

As per the Enhanced Due Diligence requirements under Qatari regulations, you are required to determine if your Customer is a Politically Exposed Person, holds a public office, or exhibits a higher risk profile. In order to fulfill your obligations, Shufti Pro provides you it's AML Screening service. The service screens an individual's selected ID attributes of *Name* and *DOB* against watchlists of global regulatory authorities, foreign and domestic databases, compromised PEPs and sanctioned individuals.

The service highlights the category of the PEP based on the degree of risks they pose and also any immediate family member, or a close associate of the PEP.

You may utilize such services as per your requirements. This includes before or after establishing a relationship with your Customer.

7. Reliance on External Services

In the absence of explicit regulations, clients on their discretion, may seek the services of a third party for fulfilling AML/KYC obligations. Regardless of reliance on a third party, the client will remain liable for maintaining regulatory compliance as well as fulfilling AML and KYC obligations.

8. Record Retention

As per the Qatari regulations, you are required to retain data for not less than five (5) years. These are a part of your AML and KYC obligations for due diligence. In the case where this information is processed, collected and managed by a relevant third-party. You are liable to collect all such necessary information (Due Diligence Data) from the third party without undue delay.
